RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This paper responds to the Restriction Requirement mailed on May 30, 2002, for which a response is due on June 29, 2002. Since this response is filed timely, *i.e.*, by June 29, 2002, no fee is required for filing this Response.

Applicant appreciates the Examiner's consideration of Applicant's response to the December 4, 2001 Restriction Requirement, joining Groups XI to XX with the elected Group X and combining claims 1-35 and 78 into a single product group. Per the further election of the species requirement, Applicant elects Group (A), the haptens recited in claim 38.

Applicant expressly reserves the right under 35 U.S.C. § 121 to file a divisional application directed to the nonelected subject matter during the pendency of this application, or an application claiming priority from this application.

Applicant requests examination of the elected subject matter on the merits.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing 494492000100. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: June 26, 2002

Respectfully submitted,

By:
